

RAW MEAT SUPPLEMENT

for dogs and cats

- This supplement contains a high calcium level and is therefore very suitable to supplement a raw meat diet without bones.

- Contains all required vitamins and minerals, according to the European guidelines, by dogs and cats.

- The recommended dosage is easy to administer with the enclosed measuring spoon.

Feeding advise:

Body weight (kg)	Measuring spoon(s) per day
1-5	0,5
5-10	1
10-20	1,5
20-30	2,5
>30	3

* One measuring spoon contains +/- 5 g supplement

Analytical constituents and additions:

Moisture	%	3,0	Manganese	ppm	250	Vitamins		
Protein	%	22,4	Copper	ppm	150	Vitamin A	IE/kg	150.000
Fat	%	0,8	Iodine	ppm	35	Vitamin D3	IE/kg	35.000
Fibre	%	0,6	Selenium	ppm	4	Vitamin E	IE/kg	5.000
Starch	%	2,8	Amino acids			Thiamin (B1)	ppm	150
Sugar	%	0,5	Taurine	%	2,5	Riboflavin (B2)	ppm	150
Ash	%	53,6	Lysine	%	1,4	Niacin (PP)	ppm	750
Minerals			Methionine	%	0,3	Pantothenic Acid	ppm	200
Calcium	%	17,0	Threonine	%	1,0	Pyridoxine (B6)	ppm	150
Phosphorus	%	0,9	Tryptofaan	%	0,3	Vitamin B12	µg/kg	600
Potassium	%	2,0	L-Carnitine	%	0,1	Biotin (B8)	ppm	2.500
Magnesium	%	1,0	Valine	%	1,1	Vitamin B4	ppm	10.000
Sodium	%	0,5	Glycine	%	0,9	Folic acid (B9)	ppm	20
Chlorine	%	1,5	Fatty acids	%		Ascorbic Acid	ppm	1.500
Iron	ppm	400	Ω3	ppm	500			
Zinc	ppm	1.000	Ω6	ppm	30			

Composition:

Brewers yeast, sodium bicarbonate, vitamins and minerals
